

END USER LICENSE AGREEMENT (EULA)

Last Updated: December 15, 2025

This Agreement is a legal contract between you ("Licensee") and STB Services.

1. INFORMATION ABOUT THE LICENSOR

Company Name: STB Services
Address: Parallelweg 30, 5223AL 's-Hertogenbosch, The Netherlands
Chamber of Commerce (KVK): 30226252
VAT (BTW): NL001685860B73
Email: support@stb-vw.com

2. AGREEMENT AND APPLICABILITY

By purchasing, downloading, installing, or using the software plugin ("Software") provided by STB Services, you agree to be bound by the terms of this Agreement. If you do not agree to these terms, do not install or use the Software.

3. GRANT OF LICENSE

Subject to your full payment of the applicable fees, STB Services grants you a limited, non-exclusive, non-transferable, and revocable license to install and use the Software, subject to the following strict conditions:

- **Vectorworks Serial Binding:** The license is technically tied to the specific Vectorworks Serial Number (last 6 digits) provided by you at the time of purchase. The Software will only function on a workstation running that specific Vectorworks license.
- **Single Use:** One license grants the right to use the Software in conjunction with one specific Vectorworks Serial Number.
- **"Lifetime" Definition:** The term "Lifetime License" refers explicitly and solely to the lifecycle of the **major software release version** of Vectorworks for which the Software was designated at the time of purchase (e.g., "Compatible with Vectorworks 2024"). This license **does not** grant rights to upgrades for future major versions (e.g., Vectorworks 2025) nor does it imply support for an indefinite period.

4. TECHNICAL VALIDATION & CONNECTIVITY

- **Anti-Piracy Check:** You acknowledge and consent that the Software may perform a periodic, automated validation check during the initial 45-day period following activation. This check connects to a secure Content Delivery Network (Cloudflare) solely to verify that the license key has not been revoked or refunded.
- **Privacy Protection:** During this validation process, no personal files, project data, hardware fingerprints, or usage statistics are transmitted to STB Services. The connection is technical in nature and strictly limited to license status verification.

5. INTELLECTUAL PROPERTY & RESTRICTIONS

- **Ownership:** STB Services retains all ownership, title, and intellectual property rights in and to the Software.
- **No Reverse Engineering:** You may not decompile, disassemble, reverse engineer, decrypt, or attempt to derive the source code of the Software.
- **Ownership of Output:** You (the Licensee) retain full ownership of any designs, drawings, symbols, or geometry generated by your use of the Software. You are free to use this output for any professional or commercial purpose.

6. LICENSE TRANSFERS

The license is permanently linked to the Vectorworks Serial Number provided at purchase.

- **Transfer Requests:** If you acquire a new Vectorworks Serial Number (e.g., due to a change in employment or hardware), you may request a license transfer by contacting support@stb-vw.com.
- **Discretion:** Such transfers are granted at the **sole discretion** of STB Services and are not guaranteed.

7. WARRANTY & SUPPORT COOPERATION

- **As-Is Basis:** The Software is provided "AS IS". STB Services does not warrant that the Software will be error-free or that it will function without interruption.
- **Updates:** STB Services will make reasonable efforts to maintain compatibility with minor Service Packs (e.g., SP1, SP2) of the supported Vectorworks version, but is under no obligation to fix issues caused by third-party changes to the Vectorworks API.
- **Condition of Warranty:** Any claim of technical failure or defect is contingent upon your full cooperation. You agree to provide error logs, screenshots, and other diagnostic information reasonably requested by STB Services. Failure to cooperate voids any potential warranty claims.

8. INDEMNIFICATION & PROFESSIONAL LIABILITY

The Software is a productivity tool intended for use by trained professionals. It is not a substitute for your professional judgment.

- **Indemnification:** You agree to indemnify, defend, and hold harmless STB Services from any claims, damages, lawsuits, or liabilities arising from your use of the Software, including but not limited to construction errors, engineering miscalculations, or incorrect material quantities derived from the Software's output.
- **Data Integrity:** You are solely responsible for backing up your data and Vectorworks project files. STB Services is not liable for data loss, file corruption, or lost work time.

9. LIMITATION OF LIABILITY

To the maximum extent permitted by applicable law (Dutch Law), the total cumulative liability of STB Services for any claim arising out of or relating to this Agreement shall be strictly limited to the **amount actually paid by you** for the Software.

10. TERMINATION

- **Breach:** This license will terminate automatically and immediately without notice if you fail to comply with any provision of this Agreement (including unauthorized distribution or payment chargebacks).
- **Consequence:** Upon termination, you must immediately cease all use of the Software and destroy all copies in your possession.

11. GOVERNING LAW

This Agreement is governed by and construed in accordance with the laws of **The Netherlands**. Any disputes arising from or in connection with this Agreement shall be submitted exclusively to the competent court in the district where STB Services is established ('s-Hertogenbosch).
